

The simplest and friendliest audio book player

VictorReader®
Stratus M

The new generation of Victor Reader desktop players

Victor Reader Stratus M multi-media player gives you unparalleled access to DAISY books, recorded commercial books, music, and computer documents. And all that content on your choice of media: CD, SD memory cards or USB flash drives. Whether you are young or young at heart, whether your reading needs are simple or complex, whether you are at work, school, or at home, there is a Victor Reader Stratus that will fit your needs.

Accessibility

Large, tactile, high-contrast keys, a built-in speaker and headphone jack, and self-voicing controls

It's all about choice

Many seniors choose the Stratus⁴ M model with its simple 4-arrow keypad to easily navigate novels, magazines, and newspapers.

Students and professionals choose the Stratus¹² M model with its telephone-style number pad. Enter a page number from the table of contents and jump directly to it. Ideal for reference and school text books.
